

Mentorship

Overview

The Tony Elumelu Foundation is calling on extraordinary leaders from every field, who are passionate about the development of African entrepreneurs, to join our global TEF Mentor Charter where they will be granted access to high-value networks, capacity building resources, global recognition, and leadership opportunities.

Criteria

This opportunity is available to professionals or business experts with over 5 years of experience, and can fluently speak either English, French, Portuguese or Arabic.

Resources

In recognition of your mentoring commitment, the Foundation will provide you with access to capacity building resources, high-value networks, global publicity, as well as the largest platform of African entrepreneurs; TEFCConnect. You will also be awarded a TEF Mentorship certificate for every cycle of the programme you choose to participate in.

Requirements

Once you decide you fit the ideal TEF Mentor Profile, the following will be required of you:

- Complete the mentor assessment form.
- Consent to our mentorship guidelines and agreement.
- Commit to engaging with each mentee that you are matched to for a one-year tenure and a minimum of 2 hours per month.
- Commit to helping entrepreneurs achieve their business milestones through mentorship engagement sessions our platform and report provide periodic reports as needed to the TEF Mentorship Programme Manager.
